

Marmaris - İçmeler

İçmeler is a quieter and more relaxed sister to the nearby Marmaris but, never the less, this touristic resort has its own charm and character. Set in a wide backdrop of fragrant pine-clad mountains, İçmeler has a number of tiny islands in the surrounding bays contributing to its beautiful setting and enchanting its own mesmerising scenery.

This form of fishing village has a friendly, easy-going atmosphere and sun bleached sand and shingle beach with crystal clear waters ideal for all types of water-skiing and windsurfing.

Along the sea front are an excellent choice of bars, cafés and restaurants plus nightlife beyond the midnight hour.

HB AI Hotel Aqua

Bordering the sands of İçmeler beach and facing directly out to spectacular views of Marmaris bay, the Hotel Aqua sits only a few hundred metres from the centre of town with its number of bars, restaurants and discos. The Hotel Aqua's abundance of amenities makes it ideal for couples and families alike.

Fountains and streams lead down through the hotels beautifully well-kept gardens, past the large swimming pool to the Aqua's own section of beach where a variety of water sports are available.

Other facilities include a Turkish bath and tennis court which will help your stay at the Hotel Aqua pleasurable and relaxing.
