Private villa

## Lycian City Private Villas

The private villas were built in 2003 and are ideal for families or groups who prefer a little more seclusion, with their own pool and small garden.

The 3 bedroom private villas which can accommodate a family of up to 8 people have a double master bedroom and 2 twin bedrooms with sofa beds in the lounge. There are sun loungers, tables, and chairs by the poolside and each individual villa is named after a flower, adding to the character of the Lycian City.

The two bedroom private villas have the same facilities as the 3 bedroom villas but sleep a family of up to 6 people.

## Lycian City Villas & Apartments

The Lycian City Villas and Apartments are placed on the hillside 15 minutes walking distance from the centre of the Kalkan and provide excellent self catering accommodation for families and groups. The complex has villas and apartments set amidst shared pools as well as newly built private villas with their own swimming pools.

The 2 bedroom villas with air-conditioned living rooms can accommodate a family of up to 6 people. The pleasant downsatirs living rooms are well equipped with satellite tv, a telephone, a dining table and chairs, as well as a shower room with WC. Upstairs are the bathroom, master and twin bedrooms. The kitchen is well equipped with a fridge /freezer, cooker, microwave, kettle, dishwasher and a washing machine.

Villas with shared pool

The 1 bedroom apartments have the same facilities as the villas and can accommodate a family of 4. Both the 2 bedroomed villas and 1 bedroom apartments benefit from use of the large communal swimming pool, a pool bar and a children's pool.
