

Fethiye - Ölü Deniz

Fethiye stands beside the beautiful island - studded bay, sheltered by pine covered mountains.

Built on the ruins of a little town called Telmessos, the market town of Fethiye has retained its Turkish character, both scenically and atmospherically.

The town pulses with life and activity with a wide tree-lined promenade, busy with bars and restaurants and a bright yachting marina: a safe haven to many fishing boats, yachts and gulets. Ölüdeniz and its famous lagoon is only 16kms away.
